Notice is hereby given that a majority of the Village Board or any other Village Commission or Board may be present at the public informational meeting on Wednesday, May 27, 2009, at 6:00 p.m.

The meeting will have an open house format to allow interested persons an opportunity to discuss the proposed improvements, construction staging, detours and access with project staff from the Village of Pleasant Prairie and their engineer Crispell-Snyder. Exhibits of the project will be on display.
