

BUILDING SAFETY MONTH MAY
INTERNATIONAL CODE COUNCIL

Activity Book

Being a code official means that you make sure the buildings are built safe and strong. Fill out our activity book with your parents so you can learn what to do to make sure you and your family are always safe, aware and prepared. When you finish the book, you will earn the title of Junior Code Official. Good luck!

The International Code Council (ICC) is a membership association dedicated to building safety and fire prevention. The Council develops the codes used to construct residential and commercial buildings, including homes and schools. Most U.S. cities, counties and states that adopt codes choose the International Codes developed by the ICC.

For more information about the ICC, call 1-888-ICC-SAFE (422-7233) or visit www.iccsafe.org
